

St. John's Listening Ear

postAproblem

Project Launch Exhibition

Come and join us for a coffee, or lunch, and see the postcards we've received in our community arts project postAproblem!

Nov 17th 10am - 4pm

St. John's Methodist Church

Need a chat? Pop in and meet our Listening Ears, available throughout the day

postAproblem

You are invited to anonymously contribute a problem to a community art project. Your problem can be a fear, regret, betrayal, dream or confession. You can reveal anything, but it must be a **true, current** problem that **you** are having.

Steps - Take a postcard, or two.

Tell your problem anonymously.

Find a postAproblem box and post your postcard by 14.11.18

Tips - Be brief, the fewer words the better
Be legible - use big, clear lettering
Be creative - let the postcard be your canvas

See a problem - Visit us on November 17th 2018 for an exhibition of all the problems we receive. St. John's Methodist Church, High Street, Bangor 10am-4pm.
Refreshments and **Listening Ears available all day.**

Post me in a postAproblem box found in various locations in the Bangor area.

postAproblem is the project launch for St. John's Listening Ear project.

St John's Listening Ear project was born out of the local need in our community for people to listen. If you need to talk, we will listen. We are not counsellors and we will not give advice, but we do care and we will listen. Look out for us if you need a chat.
