

Bangor and Holyhead Circuit

St John's 150th Anniversary

This will be a permanent feature of the notices for the rest of this, our 150th Anniversary year. The activities below were agreed at the meeting we had at Robin and Lyndis's. Please check the list regularly as times and dates might change and events will be added (and removed). There are a lot of "tbc"s (to be confirmed), some of which may not happen for any number of valid reasons but as said above, other events may well be added. We need to get the idea of what is/might be happening in our heads as soon as possible. **Immediately, folk might like to consider if they can offer to organise (not pay for) refreshments for any of these events, especially those already fixed – ie Ukuleles, Folk Nights, Swales and Friends etc. Please let me (John N), John F. or the named organiser know if you can. Thank you in anticipation of generous offers of help!**

Date	Event	Venue	Time
