

Website Charities Information

St John's seeks to be an outward, giving church and supports a number of charities - financially, prayerfully and by sharing information with members of the congregation. Below is a list of those charities we support together with reference to the church representative (where there is one) and links to the website of each organization where you can find more information and how to donate to them. For any comments or suggestions regarding our work with charities, please contact either the individual representatives or Charities Co-ordinator, Anne Jackson froni.jackson@btinternet.com

Christian Aid - Jean Ware <https://www.christianaid.org.uk/>
